July 26, 2022

Dear Editor of the Engineering Science and Technology, an International Journal,

I am submitting a manuscript for consideration of publication in Engineering Science and Technology, an International Journal. The manuscript is entitled “On the Use of Reference Nets for Building Cloud-based Scientific Workflows”.

This paper presents RenewGrass, a tool for modeling and executing image processing workflows by reference nets and discusses the deployment of RenewGrass into the Cloud. This work includes also a use case example related to the remote sensing domain.

It has not been published elsewhere and that it has not been submitted simultaneously for publication elsewhere.

Thank you very much for your consideration.

Yours Sincerely,

Dr. Hayat Bendoukha
